

NUOVO RACING

A bike for setting records designed in the famous Columbus/Campagnolo tradition. Campagnolo Nuovo Record derailleurs set off the Columbus Tretubi frame. Other fine European components include Omega Competition crankset, Super Champion anodized rims, Modolo Flash brakes with anatomic hoods, and Wolber Rallye tires. Enjoy the excellence of the Italian racing tradition.
Colors: Celeste, Ferrari Red

CAMPIONE D'ITALIA

Champions from coast to coast choose this Italian racing machine. The Columbus frame sports Campagnolo Nuovo Record derailleurs, Gran Sport crankset, pedals, and Modolo Speedy brakes. Wolber 300 gram tubulars on Mavic rims ensure outstanding gold medal riding. Colors: Celeste, Milano White

TIPO CORSA

For the professional racer who seeks top-notch specifications, the Tipo Corsa is race-ready. The Columbus frame is carefully prepared in Bianchi's race department and finished with Campagnolo Nuovo Record components. Special touches include a cast fork crown, TTT Bianchi-engraved stem, and Super Record chainwheel. A final touch is Mavic GP4 rims. Reach your goal with the bike of your dreams.
Colors: Celeste, Ferrari Red

SUPER LEGGERA

This bike is the hand-crafted machine ridden by Bianchi's Italian team. The Columbus SL/SP frameset is equipped with Campagnolo's Super Record Pro Gruppo, a fluted seatpost, TTT Bianchi-engraved stem, and engraved chainring. Winner of thousands of races, the Super Leggera makes a championship possible for you. Color: Celeste

ECO PISTA

Track riders find the Eco Pista's performance unmatched. The frame is all Columbus tubing equipped with the rugged Gipiemme Pista Gruppo. Other features include San Marco saddle and seatpost, Mavic rims, and Wolber tubulars. This is the bike for breaking away. Colors: Celeste, Brilliant Black

SUPER PISTA

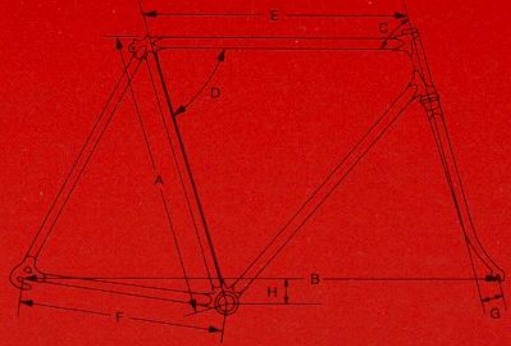

The bike ridden to gold medal victory at the 1983 World Championships is handcrafted for precision performance. Campagnolo's Record Pista Gruppo is the perfect partner for the Columbus PS tubing frame. Mavic OR 10 rims with tied and soldered spokes add the final touches of strength to this truly professional track bike. Color: Celeste
