C-4 PROJECT

Team issue time trial bicycle. The C-4 boasts a handbuilt carbon-fiber composite frame-set, Ambrosio disc wheels, and Campagnolo C-Record component group. The ultimate in Italian design.

MONDIALE

Columbus SL/SP frameset featuring Campagnolo's C-Record Syncro component group with Cobalto brakes. Wheels include Clement Meeting tires on Ambrosio Synthesis rims. 3T bar and stem, laser anodized.

SUPER LEGGERA

The Super Leggera introduces the Campagnolo Chorus Syncro group, the latest in Italian technology. A full Columbus SL/SP frameset with Ambrosio Super Elite rims, Michelin Select tires, Bianchi laser etched 3T stem and 3T bar.

PISTA

Full Columbus frameset featuring investment cast fork crown and PS fork blades. Crankset is Pista style Super Competizione and the Pista bars sport our Celeste handlebar tape.

COMPETITION SERIES

GIRO

A full Columbus frameset equipped with the Campagnolo Victory Syncro group including Look pedals. Other features include Bianchi laser etched 3T stem and 3T bar, Ambrosio Super Elite rims, and Michelin Select tires.

LIMITED

Shimano 600 Ultegra SIS component group mounted on a Tange double-butted chrome-moly frameset in SuperSet design with unicrown fork. Wheels include IRC Triathlete tires mounted on Araya C'TL-370 hard anodized rims.
