QUALITY HANDBUILT CYCLES

FRAME TERMINOLOGY

WOODRUP CYCLES

is a family business, and one of the most respected frame builders in the world, 50 years of frame building experience, has brought export work World Wide. Woodrup Cycles are winners of the award, by the E.C.C.E. for Product of Excellence which is the outcome of skillful designers and engineering by enthusiasts.

Woodrup frames have had countless success throughout Britain and Europe. They are ridden in competition by many leading riders in Time Trials and Road Races.

All frames are individually constructed by skilled craftsmen for cyclists who prefer the best.
