

The Rockadile SX

The Rockadile SX features a suspension-specific, TIG welded 7005 series alloy frame, a Rock Shox Quadra 5 elastomer suspension fork, YST's threadless headset system and Shimano's STX (RC) component group with 21 speeds and Rapid Fire Plus shifting.

The IBOC Zero-G SX

The 24 speed IBOC Zero-G SX has a lightweight Tange double butted Cr-Mo frame, Grip Shift 600i, Shimano Deore LX derailleurs and hubs, a Rock Shox Quadra 21 elastomer fork, and Panaracer's new Smoke and Dart "Hard Core" tires.

The IBOC Pro SX

The IBOC Pro SX comes with a bonded, 100% carbon frame with alloy forged lugs, a Rock Shox "Judy" adjustable cartridge system suspension fork, Onza clipless pedals, Mavic 237 rims, and a mixture of Shimano Deore XT and LX components.
