EDGE PANTS

Our ever popular Edge pants feature durable, long lasting fabrics and design details normally found on more expensive pants. These include 840 denier "Diamond Oxford" and 1000 denier nylon Cordura® construction with a saddlecut pattern using double and triple stitching in all the high stress areas. Other features include Ballistic "Wearshield™" nylon inner knees, Spandex® rear yoke, and 75mm leg Spandex®. Knee guards sold separately.

FORCE PANTS

Once again, we have made our best selling BMX pants even better. Constructed of high impact 420 nylon, this pant has the same roomy fit, and comfortable cut as Edge Pants. Strategically placed lower leg thermalweld logos help protect you from those sharp pedals biting your leg. Our redesigned padded knee "cups" help give you the extra padding right where you need it.
