**£ 59.99**

### TEAM BAG JR.

- 2400 cubic inch capacity
- Two small pockets, and two zippered compartments
- Durable 840 denier Cordura, PVC nylon and mesh pockets for wet clothes
- Includes retractable padded strap and storage for bottles
- Can be carried on during air travel

**£ 49.99**

### MINI WEDGIE™

**£ 9.99**

### AIR FORCE™ II

**£ 14.99**

### AIR FORCE™ III

**£ 19.99**

### SPECIALIZED™ ULTRALIGHT COMPOSITE WHEEL™

- Brushed aluminum rim sidewalls for predictable braking
- Sealed-bearing hubs and axles for a variety of applications

**£ 299.99**  
**£ 399.99**

### EXTREME CONTROL™

- Rubber compound ideal for wet slippery roads and dirt
- Self-cleaning tread design
- Narrow 1.7" width for maximum clearance and bite
- Our lightest tire ever

**£ 29.99**

### EXTREME MASTER™

- Wet compound ideal for slippery rocks and mud
- Self-cleaning tread design
- Narrow 1.7" width for maximum clearance
- Our lightest tire ever

**£ 29.99**

### DIRT BALDY COMP

- Low rolling resistance tread design
- Enhanced rubber center section for improved puncture resistance
- Front or rear applicable
- 1.3 width

**£ 19.99**

### FEAR CONTROL™

- Bead Lock: a groove that prevents a flat tire from dismounting at high speeds
- Iron Curtain: a stiffer sidewall that prevents pinch flats and sidewall cuts

**£ 19.99**

### FEAR MASTER™

- Bead Lock: a groove that prevents a flat tire from dismounting at high speeds
- Iron Curtain: a stiffer sidewall that prevents pinch flats
- Rear-specific

**£ 19.99**

### TEAM CONTROL

- Triangular center knobs offer low rolling resistance
- Wide trailing edges assist braking
- Dual rads for incredible cornering confidence

**£ 14.99**

### TEAM MASTER™

- Aggressive multi-dimensional edges on outer knobs pull you out of ruts
- Wide faces on center knobs for maximum acceleration and braking

**£ 14.99**

- Iron Curtain Cross-Country (Team Edition only)

**£ 14.99**

### DIRT MASTER

- Round Profile for consistent cornering
- Low knob height for low rolling resistance
- Iron Curtain XC (Team Edition only)

**£ 14.99**

### CACTUS CONTROL

- Front-specific
- Wide, 2.2 for better stability
- Long wearing compound
- Large air volume capacity for better shock-absorption

**£ 19.99**

### CACTUS MASTER

- Front-specific
- Wide, 2.2 for better stability
- Long wearing compound
- Large air volume capacity for better shock-absorption

**£ 19.99**

### HARDROCK™ III

- Radical multi-dimensional side knobs
- Center tread provides low rolling-resistance on pavement

**£ 14.99**

### CROSSROADS™ III

- Interlocking center knobs for a smooth, quiet ride on pavement, lower rolling resistance
- A "working edge" tread for dirt-bound activity

**£ 14.99**

### TURBO SPORT

- New distinctive Turbo tread and lower rolling resistance profile
- Dual compound for long wear (center) and traction (outer)

**£ 19.99**

### NIMBUS™ III

- Thick, grooved tread for traction on wet pavement and long life
- Inverted tread for smooth ride
- Width provides a stable ride
- Recommended PSI: 35-80

**£ 14.99**

### FATBOY™

- Slick tread for lowest rolling resistance
- Wider width (1.25) provides mountain bike toughness
- Up to 100 PSI

**£ 12.99**
