Trek Bicycle Corporation Limited Lifetime Warranty. The Trek Bicycle Corporation warrants each new Trek BMX bicycle frame and fork purchased from an authorized Trek dealer against defects in workmanship and materials for the lifetime of the original owner. Trek Bicycle Corporation likewise warrants all original parts for a period of one year from the date of the purchase. Paint and decals are warranted for one year. This warranty is expressly limited to the repair or replacement of a defective frame, fork, or defective part and is the sole remedy of the warranty. Labor charges for frame changeovers shall be covered for one year from the date of purchase. This warranty applies only to the original owner and is not transferable. Claims under this warranty must be made through an authorized Trek dealer. Proof of purchase is required. A warranty registration card must be completed and received by the Trek Bicycle Corporation before a warranty claim may be processed. The warranty only covers bicycles and components purchased through an authorized international Trek distributor or Trek dealer within the country of purchase. This warranty does not cover normal wear and tear, improper assembly or follow-up maintenance, installation of parts or accessories not originally intended or compatible with the bicycle as sold, damage or failure due to accident, misuse, abuse, or neglect, or modification of the frame, fork or components. Trek Bicycle Corporation shall not be responsible for incidental or consequential damages. Some states do not allow the exclusion of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives the consumer rights and may vary from place to place. This warranty does not affect the statutory rights of the consumer.
