

**EFFICIENCY.** Our exclusive Reactive Link-S swingarm design provides superior lateral rigidity and a rock-solid platform for aggressive pedaling

**STRENGTH.** The lightness of a tube frame and the toughness of our proven Mountain Cycle monocoque chassis. The all-new Zen possesses many beauties beyond its obvious strength

**RELIABILITY.** For easier service and maximum reliability, the Zen features sealed cartridge bearings at all pivot points

# THE ROAD TO ENLIGHTENMENT IS A TRAIL

It's hard to live for the moment when the bike you're riding is a thing of the past. The all-new Zen's nimble geometry, stable handling and plush suspension aren't merely catch phrases, they're good Karma. To become one with Zen, visit your authorized Mountain Cycle dealer.
