Bags

New for 2008 the 100% waterproof range of bags from Avenir. The combination of cutting edge materials and super secure welded seam technology ensures whatever you choose to carry will remain dry and secure. The exclusive multi-adjust pannier fitting system makes it's first appearance on the 2008 range of Avenir panniers. This means that the single rear panniers can be adjusted to create the perfect fit.

Childseats

'The journey begins' when you decide on a family day out on the bikes. The Avenir child seat range is packed with features to ensure your child's safety and comfort these were our prime considerations when putting this range together. All our products are tested to the stringent EN14344 child seat safety standard.

SNOOZE DELUXE Childs weight 9 to 22kg

- Ergonomically designed for your child's comfort
- Safety belt pads provide shoulder protection, and comfort
- Full protection in case of heavy fall. Complies with European Standards EN 14344
- Simplified mounting bracket for any type of bike frames. Fits 28-40mm round or oval tubing
- Head protection system
- Reclinable seat positioning for added comfort
- Total safety 5 point harness and buckle that cannot be released by the child
- Optional longitudinal positioning over bike frames, with Easy Slide System (ESS), providing more room for your child whenever needed
- Adjustable footrests, ensure that the seat grows with your child

SLUMBER Childs weight 9 to 22kg

- Ergonomically shaped headrest to allow for child's helmet
- Anatomical and deep wrap around back and sides, providing maximum protection
- Total safety 5 point harness and buckle that cannot be released by child
- Safety belt padding, ensuring softer shoulder protection
- Full protection in case of heavy fall. Complies with European safety standards EN 14344
- Height adjustable footrests, ensure the seat grows with your child
- Simplified mounting bracket easily fits onto any bike frame. Fits 28-40mm round or oval tubing

AVENIR
The journey begins...

The UK's No.1 Selling Car Rack

Have you ever wondered why people choose our Avenir Car Racks?

Fully assembled and ready to fit, even the straps are inserted in the buckles

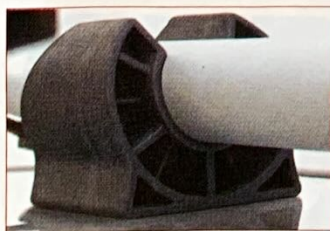

Aluminium framework, making the rack light and easy to handle

Quick release lever, fast and easy to adjust to suit your vehicles shape

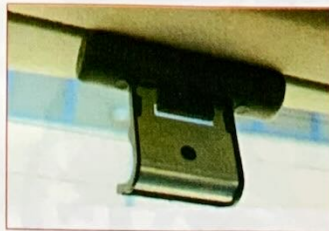

Hold downs, to secure your bike during transportation

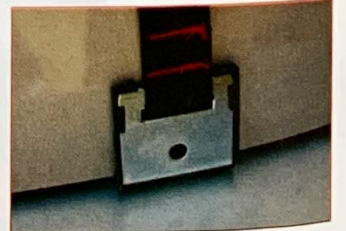

Rubber contact pads, to protect your vehicle

Safety strap, adds that additional security for your bikes during transportation

Hatch adaptor, for use where a full glass door or a tight hinge line

Tempered steel hooks, strength where its required

Car Racks

Avenir Cycle Carriers make transportation of your cycles easy and safe on any journey. The carriers are manufactured from lightweight alloy and come completely assembled for quick mounting. A full range is available to fit rear boot's, towball's, roof racks or spare tyre's.

Aluminium Series - Boot Fitting

Montana 3 Bike

- 6 strap fastening
- Bike hold downs
- Fits saloons, estates, hatches, vans etc
- Folds flat for easy storage

RECOMMEND

Arizona 3 Bike High Rise

- 6 strap fastening
- Bike hold downs
- Fits saloons, estates, hatches, vans etc
- Folds flat for easy storage
- Lifts bikes above number plate and lights

RECOMMEND

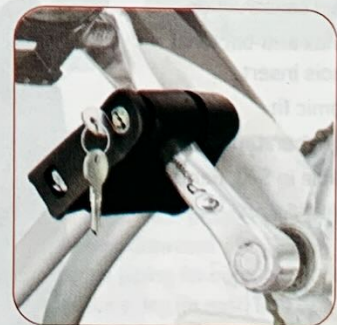

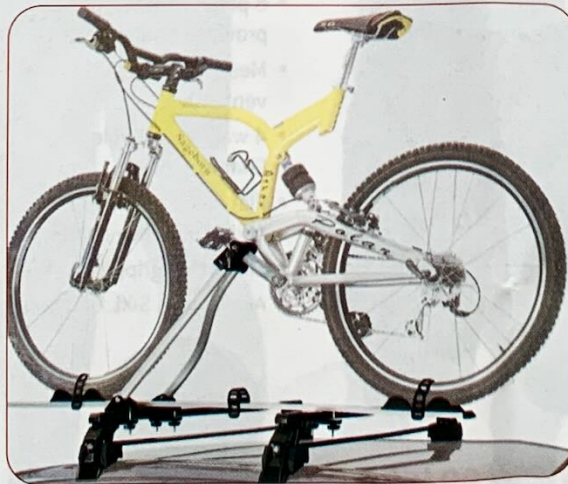

Carrying bikes on the roof of your car is another alternative. The bikes sit firmly in place and it means that you don't cover up your vehicle number plate and lights. If you already have roof bars then this makes the fitting easier and quicker.

Aluminium Series - Roof Fitting

Utah 1 Bike

- Universal, fits all types of bikes
- Wheel channels with hold downs
- Quick one lever crank clamp with security lock
- Fits to most roof bars 70 x 55mm

RECOMMEND

- Tandem carrier also available.

Boot fitting racks from £69.99/€102.99

Roof fitting racks from £49.99/€73.99

Towbar Racks from £39.99/€58.99

Spare Tyre Racks from £69.99/€102.99
