Warranty:
Based on original component given definition in terms of ownership within its warranty period. Falcon Cycles will repair or replace any original component that fails within its warranty period. Falcon Cycles will not be responsible for consequential or special damage. This warranty applies only to the original retail purchaser who must produce proof of purchase in order to validate any claim. This warranty applies only in the case of damage caused by accident, abuse, excessive loads, neglect, improper assembly, improper maintenance or the addition of any item inconsistent with the original intended use of the bicycle. No bicycle is indestructible and no claims can be accepted for damage caused by improper use, competition use, start riding, road jumping, landing or similar activities. Claims must be submitted through your retailer. Your statutory rights are not affected by the foregoing. Falcon bicycles conform to one of the BS EN Standards listed in the table for the specific safety standard employed throughout its design and construction.
All information and specifications within this brochure are correct at time of going to press.
Falcon Cycles reserve the right to amend or improve specification without prior notice. Any alterations will usually be to an equivalent or higher specification.
