GIOS

GIOS - the beauty of italian design

For many years the GIOS company has been producing racing frames and bicycles for professional use at very high levels.

Our "corsa" frames are from a victorious school of riders and for decades they have been used by the top professional teams in all the most important races around the world.

Our products are at the forefront of technology and innovation, built with the finest materials available to give exceptional finishing and personalization that assures quality in every detail.

Whether in competition or pleasure GIOS can deliver the ride of Champions and the ride of a lifetime.
